Dear Pharmacist

Discovery Health Medical Scheme's WELLTH Fund Marketing collateral

Discovery Health Medical Scheme introduced the WELLTH Fund to all members. The fund empowers proactive care and offers up to R10,000 in wellness benefits per family without impacting the Medical Savings Account. It covers a comprehensive list of healthcare services and is a once-off benefit, available for a maximum of two years until December 2024. The benefit becomes available after completing the Health Check.

Unlocking the WELLTH Fund

To unlock the WELLTH Fund, all members on the DHMS policy, *aged two years and older*, must have completed their relevant, in-person Health Check any time from 01 January 2022.

Once *all the members on the membership* have completed their Health Check, they will have access to a combined, single WELLTH Fund allocation depending on the size and age of members on the policy:

- R2,500 per adult (18 years and older)
- R1,250 per child (over the age of 2 years old)
- Up to an overall maximum limit of **R10,000 per policy**.

WELLTH Fund marketing collateral

We created marketing collateral to enable you to promote the WELLTH Fund and to enable increased wellness participation at your practice:

- WELLTH Fund video
- Printable posters
- Digital one pager

Thank you for your support in enabling increased patient wellness through possible early detection of disease that enables early intervention and improved health outcomes.
