To whom it may concern,

## **Request for proposal (RFP): COVID-19 PCR testing**

The purpose of this request for proposal (RFP) is to appoint a preferred provider or group of preferred providers, through a bidding process, to conduct COVID-19 Polymerase Chain Reaction (PCR) pre-admission testing for all elective (planned) surgical hospital admissions.

Potential bidders must meet the following criteria to submit a proposal:

1. The bidder must be a consolidated pharmacy group or group of pharmacies with a minimum of 30 pharmacies
2. The pharmacy group or group of pharmacies must be within a 10km radius of a hospital.

The RFP was published on the 7 October 2021 to entities which meet the above criteria. If you qualify to submit a proposal, but have not received the bid document by Friday 8 October 2021, please email [RFPCovidPCR@discovery.co.za](mailto:RFPCovidPCR@discovery.co.za)
