

# Decorate the Heart Template

Kids will have a ball decorating this heart template with their favourite Disney characters and any other flair they desire. Hang the finished piece on your wall or give it to your Valentine.

**Time:** 15 minutes

## What You'll Need

- Regular paper or cardboard
- Pair of scissors
- Poster board (optional)
- Crayons, color pencils, koki pens
- Variety of craft items to decorate with (ie. glitter, beads, etc.)

## How To Make It

1. Print the heart template on regular paper or cardboard and cut out the pieces. You can either colour in the heart or use it as a pattern to trace onto poster board.
2. Print the character decorations on regular paper or sticker paper. Color them in with crayons, color pencils, or koki pens. Choose your favorite characters to stick on the heart.
3. Add your own crafty flair to the heart, like glitter, dry macaroni, popcorn, or beads.

**Important:** Cutting should be done by an adult.
