

# THE DIFFERENCE BETWEEN BOYS & GIRLS

Let's test your knowledge!

Girls and boys are different in  
the following way:

- A. Boys eat fewer vegetables than girls.
- B. Girls reach their grown-up height earlier than boys.
- C. Boys are better at sports than girls.
- D. Girls can beat boys at arm wrestling until they are 12.

Answer: B. Puberty, the process of changing from a kid to an adult, generally begins between the ages of 9-13 for girls and between the ages of 10-15 for boys.
