Instructions:

1. Print the pages on regular paper or cardstock and cut out the pieces.
2. Assemble the board by securing the gray tabs to the back of each adjacent piece using glue or double-sided tape. Make sure the border stays on the outside of the board.
3. Fold the game pieces in half so each piece has a front and a back. Secure the two halves with glue or double-sided tape, but do not apply glue or tape to the bottom tabs. Butterfly the bottom tabs outward, and use them as stands for your game pieces.
