

## What Vitality offers Vitality Kids

Vitality provides families with the tools and benefits needed to help raise healthy children. These help the entire family take care of themselves, eat well and get active.

### Who can use these benefits?

Any child dependent under the age of 18 on Discovery Vitality can use the benefits offered by Vitality Kids. Once a child turns 18, the benefit will no longer be available to them.

Kids have access to a variety of benefits and assessments designed to reward them for healthy behaviours. These include:

- 1) Participating in age appropriate assessments and health checks
- 2) Access to exercise partners
- 3) Movie rewards
- 4) Vitality Active Rewards for Kids (this is specifically for children aged 2 – 13), teens age 14 – 18 have access to [Vitality Active Rewards for Teens](#).
