

The Vitality Ster-Kinekor movie benefit

You can choose to activate your Vitality Ster-Kinekor movie benefit online using the Discovery app or by visiting a Ster-Kinekor cinema.

To access your free digital Vitality Ster-Kinekor card, navigate to the 'Digital cards' section on the Discovery app. Children older than 13 years old can also get a Vitality Ster-Kinekor digital card on the Passbook app on their iPhone or in the Discovery app on their Android smartphone.

All Vitality members on your policy can enjoy Vitality movie rewards and their card numbers will be added to your digital card so that you can book and enjoy discounted movies for everyone.

The below pricing applies to qualifying movies. Some movie offerings may not qualify for a discount based on the studio's requirements. Prices for movie tickets are subject to change at Ster-Kinekor's discretion.
