QUALITY CARE IN OUR

DAY-SURGERY NETWORK 2027

Find a network facility for your health plan option

Day-surgery Networks

Your Discovery Health Medical Scheme plan gives you access to cover for a defined list of day-surgery procedures. These procedures must take place at facilities in our Day-surgery Network, and the level of cover depends on the health plan you have chosen.

On the Executive Plan, you may use any approved facility. Some procedures may be more complex or need a longer stay. In these cases, we follow a clinical exception process. If needed, we'll arrange for you to be treated at a more suitable facility.

We review all new day-surgery facilities that open, and only cover procedures at these facilities once the scheme has approved them.

KH KeyCare Day-surgery Network

KeyCare Core and KeyCare Plus: You are fully covered for planned day-surgery procedures at hospitals in the KeyCare Day-surgery Network. If you choose a hospital outside this network, you will need to pay the full account yourself.

KS KeyCare Start Day-surgery Network

Cover applies at hospitals in the KeyCare Start Day-surgery Network. If you use a hospital outside this network for a planned day-surgery admission, you will have to pay the full cost yourself.

KR KeyCare Start Regional Day-surgery Network

If you belong to the KeyCare Start Regional Plan, you must use the hospitals in the KeyCare Start Regional Day-surgery Network. Using hospitals outside the network for a planned admission means you will need to pay the claims yourself.
